17. Skill development:

Madhav Vidhi Mahavidhyalaya (MVM) believes to transmits skill based education. MVM offers skill training to each and every student of the College for their holistic skill development. MVM provides training of hard and soft skills. Hard skills are through skill education, technical training, and experience. Soft skills are also known as "transferable" skills. In these skills, we train the students to identify who a person is and what they can do well rather than what they know. These are character traits that, in combination with experience, shape one's career. Skills are as that much important as it is important in other professions too, a lawyer needs a host of skills to be able to survive and succeed. Law is a challenging profession, and so lawyers need a wide range of skills, aptitudes, and knowledge to excel in this field. Lawyers have to deal with a huge amount of complex information, in most cases written in a specific language. To work effectively with it, a lawyer simply needs analytical and logical skills. Consideration of complex written documents, drawing conclusions, and establishing links between legal entities. MVM focus on strong oral and written communication skills. Without these communication skills lowers will not carry out the duties of a solicitor effectively. MVM also emphasizes training to its students in listening ability, which is also important when working with clients. MVM simultaneously focuses on Verbal Communication and Analytical Skills: A lawyer must be equally good in verbal communication as he/she is in written communication. Good verbal communication skills give a boost to self-

confidence. Also, in order to be a successful lawyer, students need to master in logical and analytical skills. MVM gives more emphasis on skill-based law education because without skills no one who is making a career in law will not be able to survive or take daily challenges. Skills-based law education always produces successful lawyers.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

NA

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Madhav Vidhi Mahavidhyalaya (MVM) mainly focus on outcome-based education. Outcome based education focus on the outcome of actions, rather than feeling about performing the tasks. Outcome based education is an approach to the programme and course design, teaching and learning that is focused on what the students are expected to learn and do. Outcome-based education is education in which an emphasis is placed on a clearly articulated idea of what students are expected to know and be able to do, that is, what skills and knowledge they need to have, when they leave the school system. Benefits of Outcome-Based Education for Students:- Brings clarity among the teachers and students. Every student has the flexibility and freedom of learning in their ways. There is more than one method of learning. Reduces comparison among the students as everyone has a different target. MVM has its vision to create a clear expectation of results that students must achieve. MVM focus on the outcome based education includes skills, knowledge and attitude. In addition to understanding what's expected, outcome-based education also encourages transparency. Outcome-based education at MVM can primarily be distinguished from traditional education method by the way it incorporates three elements: theory of education, a systematic structure for education, and a specific approach to instructional practice. MVM follow Learning outcomes based approach to curriculum planning. It always takes expert advice to design outcome based curriculum structure in line with programme education objectives. The course has been introduced for students to provide them with a fundamental base of the concepts relating to law. An initial understanding of the legal system will help students in acquiring the ability to think rationally.

20.Distance education/online education:

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The institution facilitates several techniques for the management of degradable and non-degradable waste. The institution management has also advised to refuse anything which is not needed. The institution has different dustbins to segregate the different waste like solid, biochemical, etc. There are committees that deal with the minimization of waste. Every day the waste is collected in bins and disposed to a place. In addition to this the institution has organized many workshops on the implementation of these techniques effectively. It was stressed that we should avoid plastic items to the best possible capacity.

For solid waste management different bins have been placed. This ensures that solid waste segregated at the source. It is also ensured that the recycling of all these components is done in minimum cost and labour. Suitable techniques are applied for disposing of solid waste. The garbage generated is preferably treated at the site of generation. The institution has organized Swach Bharat Mission. Under this banner the utility of recycling the solid and bio waste has been elaborated. People from different aspects of life delivered their talks about the proper usage of waste. Moreover, the NSS volunteers have also demonstrated the proper procedure of disposing the waste.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The institution believes in unity in diversity that's why our students respect the different religion, language and culture. We feel the college is our second home and all faculties like a family member. We greet and wish each other at different festivals and invite them to have a feast to get introduced with onesculture to have amicable relations and to maintain the religious, social and communal harmony. Similarly our students also celebrate the different festivals with joy and enthusiasm which help them to implant the social and religious harmony. The institution has conducted several programs for providing an inclusive environment. It has taken various initiatives for promoting tolerance and harmony towards cultural, regional, linguistic, communal, socioeconomic, and other diversities. For the promotion of unity in diversity, NSS Cell of madhav vidhi mahavidhyalaya organizes programs under many campaigns. The program aims at strengthening the bond between states to strengthen the unity and integrity of India. Every year MVM NSS Cell conducts Special Camps in villages for NSS volunteers. These camps are directed towards various social issues impacting the lives of the people in the community viz-a-viz including social and cultural values among the young students.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Madhav Vidhi Mahavidhyalaya sincerely sensitizes the students towards their responsibilities as citizens of India. The entry point age of the students is 18 years. Most of the fresher's are new voters. The college provides them with a democratic environment where they can ask questions, debate and dialogue among themselves and with the faculty to develop an open-minded attitude, essential for becoming conscious citizens. Every year the college organizes flag-hoisting ceremony and other programs on the Independence Day and Republic Day. All staff and students are encouraged to participate actively in these programs. Speeches are delivered by senior faculty on those occasions, whereby the students learn the importance of constitutional obligations. The staff of the college is always granted special leave, whenever they avail of this leave to cast their votes in any election. Whenever any staff of the college is given electoral duties, due facilities and encouragement is extended by the college authority. A part of the college building where Teacher's Education classes are held is provided for electoral works during every election. In these various ways the institution fosters a sense of constitutional obligations among the students and staff. Every year the College organizes NSS Camps at various villages. At least one camp is compulsory for the college within a year. Through these camps students are enabled for moral values, understands rights and duties of the citizens. They come to know responsibilities and act as good citizens.
